

New Payment Option

The ND Insurance Reserve Fund is pleased to announce the implementation of automated statement payments for all agents. This process will mean that as an agent, you can choose the option of paying your monthly statement through ACH (Automated Clearing House). Using ACH, your payment will be automatically deducted from your checking or savings account on the date specified by you on the attached form.

We trust that you will find this process beneficial, saving you both time and postage, and ensuring your payment is always on time. Please find an attached form requesting information needed to facilitate this process. Once we receive the completed form, our system will be updated with the information provided.

If you elect to utilize this option, you will receive your statement electronically through email on the first business day of each month. It is imperative that the email address(es) on the attached form is the person(s) who will use the information provided on the statement to know the amount that will be deducted from your account that month.

Please take a moment to complete the attached form. We need **all** information on the form to be completed. *We hope that you choose to take advantage of this convenient and fast form of payment.* We will begin accepting ACH payments with the statements sent out on the first business day in August.

Please return the completed form to Nora Frueh at Nora.Frueh@ndirf.com, via fax to 701-751-9136, or mailed to our address at PO Box 2258 Bismarck, ND 58502; Attn: Nora Frueh.

Should you have any questions, please do not hesitate to call (701) 224-1988.
