## **Coverage Selection**

A Memorandum of Coverage issued by the NDIRF does not constitute an insurance policy or insurance contract within the meaning of Chapter 32-12.1 of the North Dakota Century Code. The limit of liability afforded to the Named Member under the NDIRF Memorandum is that specified by Chapter 32-12.1-03(2) of the North Dakota Century Code, for any number of claims arising from any single occurrence regardless of the number of political subdivisions, or employees of such political subdivisions, which are involved in that occurrence. A political subdivision may not be held liable, or be ordered to indemnify an employee held liable, for punitive or exemplary damages. The limit of liability shown in the declarations applies in the event of a judicial determination that the statutory limit of liability is not applicable to a specific "occurrence". The NDIRF is a self-insurance pool within the meaning of Chapter 26.1-23.1-02 of the North Dakota Century Code. Membership in the NDIRF does not constitute any form of waiver, modification or limitation of your right to any immunity or limitation of liability that is available with respect to a particular claim or "suit".
